### WHOSE BUSINESS IS THE CHICAGO MANUAL OF STYLE?

If your staff members work with words, then it’s *your* business. Following a universal style gets everyone on the same page.

Subscribers include hundreds of companies in publishing, technology, finance, the arts, education, manufacturing, government, retail, and more. From AbbVie to Penguin Random House to the World Wildlife Fund, these organizations all depend on “Chicago Style” for clear, concise communication.

### WHY USE A STYLE GUIDE?

**It’s professional.** Having a single, definitive style reference ensures a consistent, professional look to websites, reports, and advertising. With a corporate subscription, every employee will have the same reliable answers to questions about grammar, style, and citation.

**It’s efficient.** Editors learn a “style” like Chicago’s so they don’t have to look things up repeatedly. Teams can independently make the same styling decisions on all your publications.

- Website content
- Advertising and public relations copy
- Training and instructional brochures
- Books and articles
- Reports and memos
- Charts and tables
- Meeting agendas
- Grant proposals and donor appeals

### WHY CHICAGO STYLE?

**It’s authoritative.** *CMOS* represents more than 110 years of advice from editors at the University of Chicago Press, America’s largest university press. Internationally acclaimed as the writer’s and editor’s “bible,” *CMOS* is the ideal reference book for anyone who works with words. Over 1.5 million copies sold!

**It’s online.** *CMOS* is the only comprehensive style manual for generalists currently available online.

**It’s affordable.** *CMOS* is remarkably low-priced.
