WHOSE BUSINESS IS

THE CHICAGO MANUAL OF STYLE?

If your employees work with words, then it’s your business. *CMOS* gets everyone on the same page.

Subscribers include hundreds of companies in publishing, technology, finance, the arts, education, manufacturing, government, retail, and more. From Saatchi and Saatchi X to the American Meteorological Society, they all depend on *CMOS*.

WHY USE A STYLE GUIDE?

It’s professional. Having a single, definitive style reference ensures a consistent, professional look to websites, reports, and advertising. With a corporate subscription, every employee will have the same reliable answers to questions about grammar, style, and citation.

It’s efficient. Editors learn a “style” like Chicago’s so they don’t have to look things up repeatedly. Teams can independently make the same styling decisions on all your publications.

- Website content
- Advertising and public relations copy
- Training and instructional brochures
- Books and articles
- Reports and memos
- Charts and tables
- Meeting agendas
- Grant proposals and donor appeals

WHY CHICAGO STYLE?

It’s authoritative. *CMOS* represents more than 110 years of advice from editors at the University of Chicago Press, America’s largest university press. Internationally acclaimed as the writer’s and editor’s “bible,” *CMOS* is the ideal reference book for anyone who works with words. Over 1.5 million copies sold!

It’s online. *CMOS* is the only comprehensive style manual for generalists currently available online.
